

## SCHOLARSHIP ELIGIBILITY REQUIREMENTS

1. Applicants must identify as female.
2. Applicants must be a senior in high school residing within the Fulton Bank footprint (Pennsylvania, New Jersey, Delaware, Maryland, District of Columbia and Virginia).
3. Applicants must be accepted and in the process of enrolling in an accredited two-to-four-year undergraduate degree program.
4. Applicants must state their intent to major in a STEM field.
5. Applicants cannot be a dependent child of an active Fulton Bank, N.A. or Fulton Financial Corporation employee, Fulton Bank or Fulton Financial Corporation Director or Fulton Bank Advisory Board member.
6. Applicants must complete the application process by submitting to [WITScholarship@fultonbank.com](mailto:WITScholarship@fultonbank.com) the following documents:
  - ✓ A completed Fulton Bank Women in Technology Scholarship Application;
  - ✓ A copy of an official document that demonstrates current home address – this can be a driver’s license or other official document;
  - ✓ Two (2) letters of recommendation from individuals *other than family members*
  - ✓ Original high school transcripts
  - ✓ Acceptance and confirmation of plans to attend school in the 2024/2025 academic school year from the accredited undergraduate school. This can include assigned student ID or letter from the school.

The judging of scholarship applications will be based on multiple factors including academic achievement as detailed on high school transcripts (showing grade point average), extracurricular activities, leadership qualities, honors or awards, work experience, a written essay and two letters of recommendation.

All applications *and* appropriate supporting documentation must be received by  
**Friday, May 10, 2024**  
in order to be considered for a scholarship award.
